The Kong Skull Island Season 2 is a 2017 American action film directed by Jordan Vogt-Roberts, written by Vogt-Roberts and Eric Singer and starring Tom Hiddleston, John Goodman, J.K. Simmons, Jason Mitchell, Brie Larson, Samuel L. Jackson, John C. Reilly, Toby Kebbell, Ciarán Hinds and James Franco. The film is the sequel to the 2017 film Kong: Skull Island. Skull Island is a remote island in the Pacific Ocean, that is home to many prehistoric creatures. The island was the site of the 1954 film, King Kong. Production of the film began on April 14, 2016, with filming taking place in New Zealand and in Australia, and concluded on November 19, 2016. Skull Island was inspired by the Legendary Creature Department's 2013 expedition to the island, and the contemporary controversy regarding the feasibility of a biologically modern human as the species, Homo sapiens, as a result of discovering evidence of humans living on the island over 100,000 years ago. The film grossed \$551 million at the box office and received positive reviews from critics. Plot In present day 2019, a sunken nuclear aircraft carrier, the R.O.T.C. Spirit, has washed up on a remote island in the Pacific. A group of explorers, led by Owen Unsworth, discovers the remains of the crew and investigates. They discover a mysterious crate bearing the insignia of the United States Department of the Interior, but with no one to claim it, they do not open it. They find the crumpled helmet of an American soldier inside. In the 1970s, fifteen years before the events of the first film, Skull Island was the site of the 1954 film, King Kong. Due to unprecedented heavy rainfall, a meteorological phenomenon known as The Weather Vortex, the island's natural habitat became accessible to people. At the same time, an expeditionary force led by Captain Edward Carr, the leader of an army unit, is sent to the island to investigate reports of dinosaur sightings in the Pacific. Upon arrival, the expedition team are greeted by natives who see the soldiers as an omen of death and send them back. Following this, the team travels to the crown jewel of the island, a monastery which is maintained by 82157476af
